For claims, simply provide item, quantity and date code (Brilliance LED's only) so Lighting Boss can provide a return shipping label. All defective product must be sent back to get proper compensation unless otherwise stated by Lighting Boss. Replacement product will be sent for all claims. Credits will only be issued if the product is unavailable and a suitable replacement can't be found.

Any product returned simply because it is no longer needed or wanted must be returned in original undamaged packaging or credit deductions up to 100% may be applied. Lighting Boss will not cover freight on the return of unwanted, working product. Special order products cannot be returned.
